WELCOME

It is a pleasure to invite you to join us in Hamilton this April for a full academic and clinical NZSSD programme. As usual the NZSSD programme will run from Wednesday late morning until Friday lunchtime (21-23 April), and the Nursing and Dietetic groups will hold all-day meetings on the Tuesday (20 April). New for this year are, a Podiatry Special Interest Group and an all-day Registrar Training Session. There will also be plenty of time to 'network' and meet old friends and an active social programme, so please mark your diary now, apply for leave and register early for the best deal.

We are grateful to our visiting speakers for their contributions and look forward to seeing many abstracts, scientific and clinical, submitted for the meeting. Please pass this invitation on to other colleagues who may not yet be members.

With best wishes,

The NZSSD Hamilton 2010 Organising Committee

Prof Tim Cundy

Dr Paul Drury

Dr Jinny Willis

Ms Susie Ryan

Ms Mary Meendering

President, NZSSD

Medical Director, NZSSD

NZSSD Executive

NZSSD Executive and Local Organiser

Chair, Diabetes Nurse Specialist Section, NZNO

with much help from many colleagues and constituent groups

DIABETES NURSE SPECIALIST STUDY DAY KEYNOTE SPEAKERS

Wendy A. Davis M.A. (Oxon), M.Sc. (Imperial College, University of London), M.P.H. (Distinction) (UWA), Ph.D. (UWA)

Dr Wendy Davis was awarded her Ph.D. on the cost of type 2 diabetes in 2004. Her major research interests include epidemiology, biostatistics, health economics, data linkage, diabetes, dementia, and randomized controlled trials (malaria, stroke). She is an active member of the EASD and the Australian Diabetes Society (ADS), and an inaugural member of the SMBG International Working Group which was instrumental in developing the IDF Guidelines for SMBG in type 2 diabetes.

Mark Leydon MSc NZRD

Mark has worked as a Dietitian for the Waikato Regional Diabetes Service for the last 10 years. He has a keen interest in working with individuals who have Type 1 diabetes, exercise and who wish to optimise their blood glucose control to improve their sporting performance. Mark himself dabbles in a variety of sports such as: road cycling, tennis, and tai chi.

Dr Gerry Devlin

Dr Gerry Devlin has been a cardiologist at Waikato hospital for 13 years and is the Clinical director of Cardiology/heart and lung services. Dr Devlin and his team at Waikato hospital pioneered the Transcatheter Aortic Valve Implantation (TAVI) procedure pilot programme in 2008
